Year earned			

**Article III of the Constitution:**

1. Any person interested in geophysics shall be eligible for membership.
2. Applications for membership shall be submitted in writing and shall be signed by two sponsors who are members of the Association.
3. Applicants who are members of recognised geophysical societies or associations need not be sponsored provided proof of such societies be submitted on application.
4. Applications for membership must be approved by the Committee.
5. Provisions 2 and 4 of this article shall not apply to those members who joined the Association prior to the adoption of the Constitution.
6. Grades of membership may be introduced if considered in the interest of the Association and the profession as a whole (ref. to Bye-Law II para. 2).
7. The Annual Dues of members of the Association, as prescribed by the bye-laws, shall be payable in advance on January 1st of each year.

**Bye-Law II paragraph 2**

2. Grades of Membership shall be:
  - (a) "Members"
  - (b) "Associate Members"
  - (c) "Affiliate Members"
  - (d) "Student Members"
- a. Members shall be graduates of a recognised university and active in the field of geophysics. Members of the Association elected prior to December 31, 1980 and who are not in default shall continue to enjoy this status not withstanding academic qualification.
- b. Associate Members shall be persons holding a recognised technical diploma and active in the field of geophysics.
- c. Affiliate Members shall be persons interested in geophysics.
- d. Student Members shall be any person undergoing full-time education and interested in geophysics.

Only Member (category) shall enjoy full voting right in the affairs and/or the conduct of business of the Association.

**Sponsors: (Refer to Article III -2, 3 of the Constitution)**

If you do not have a sponsor, please submit your CV with professional references or, if you are a student, please submit proof of registration, plus details of your course.
